TRACE HELIX
ANALYTICAL

Certificate of Analysis

Sample Received: 07/21/2026
Analysis Conducted: 07/24/2026
Report Number: 26506402
Searchable via: tracehelix.com

Client:	Nextedgepeptides.com
Manufacturer:	NextEdge Peptides
Compound/Sample:	ARA-290 10mg
Lot:	ARA10-98807
Appearance:	White Lyophilized Powder

Test	Result
Identity	ARA-290
Purity	99.88%
Net Content	10.66mg

This analysis was conducted using HPLC/MS under standard laboratory conditions. Findings are specific to the submitted sample and intended for research and informational use only.
