TRACE HELIX
ANALYTICAL

Certificate of Analysis

Sample Received: 08/07/2026
Analysis Conducted: 08/13/2026
Report Number: 26506937
Searchable via: tracehelix.com

Client:	Nextedgepeptides.com
Manufacturer:	NextEdge Peptides
Compound/Sample:	Pinealon 10mg
Lot:	PINE10-20807
Appearance:	White Lyophilized Powder

Test	Result
Identity	PINEALON
Purity	99.81%
Net Content	10.33mg

This analysis was conducted using HPLC/MS under standard laboratory conditions. Findings are specific to the submitted sample and intended for research and informational use only.
